Town of Summerville

A Proclamation

- Whereas,* the second annual Charleston STEM (science technology, engineering, and mathematics) Festival will be held at Brittlebank Park, Charleston, SC on Saturday, February 6, 2016; and
- Whereas,* the goal of the Charleston STEM Festival is to increase public awareness, interest, and understanding about STEM by offering more than 50 fun, family-friendly, hands-on activities and shows; and
- Whereas,* through various activities and shows, the Charleston STEM Festival will increase engagement and participation in STEM learning opportunities among students and the public, showcasing the diversity of STEM occupations and offering a direct connection to our vibrant community of STEM professionals; and
- Whereas,* it is important to recognize that STEM is essential for modern society. Every day each of us benefit from STEM knowledge through the food we eat, the air we breathe, and the water we drink. STEM powers our world, protects us from natural disasters, improves our health, and entertains us; and
- Whereas,* the citizens of the Lowcountry will have the opportunity to see how STEM is an economic engine for not only Charleston, Dorchester and Berkeley counties, but also the State of South Carolina; and
- Whereas,* the citizens of our greater community will have the opportunity to celebrate STEM, much like we celebrate sports, food, art and music, integrated into our culture as a community tradition;

Now Therefore, as Representatives of the Lowcountry, do hereby proclaim February 6, 2016 as

Charleston STEM Festival Day

in the Lowcountry and ask all citizens to join us in celebrating STEM and participating in the Charleston STEM Festival.

Done at Summerville, SC
This 1st Day of October 2015

William C. Collins, Mayor
